Homework Assignment (oh, no!)

What have you been up to these past 10/20/30/40/50 years?

We're gonna do something a little different this year – a process improvement thanks to the ESHS Class of '72's 50th Reunion – what they called their “**50th Biography Project**”.

Pencils down – no more penmanship or ink stains...
There's this really cool thing called e-mail that's gonna be HUGE!

Your stories will be compiled into one PDF and **will not** be shared on social media. (I promise!) They will be sent back to your private e-mail using BCC so's nobody can see anybody else's e-mail address. Only give out your contact information if you want your classmates to be able to contact you. We will have the final PDF ready for e-mailing by June 30th, 2023. Hardcopies will be handed out at our reunion. Let the good times roll!
